

NEW RELIGIOUS MOVEMENTS, MINORITIES, AND MEDIA

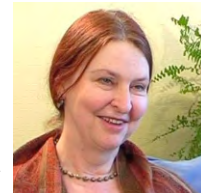

- Does collective anxiety only concern "world religions" ?
- What about NRMs, sects and cults, some of which drew major media attention until the 1980s ?
- This conference will address small religious groups that are being neglected or ignored in contemporary public debates, and their relationship with the media.
- You will find the program of the conference at the address : gdcr.umontreal.ca/documents/NRMenglishprogram.pdf
