

Same Sex Wedding

Questions:

1. Do you know anyone who claims an LGBTQ identity and is also religious?
2. The issue of same sex marriage seems to mean different things to different people depending on their age. Why do you think this is the case?
3. Have you ever heard a religious person publically defend same sex marriage? Have you ever heard a religious person publically oppose same sex marriage? In either case, how did you feel about what you heard?
4. Issues related to gender, sexuality and sexual orientation are often “hot spot” issues amongst people who are religious. Why do you think this is the case?
